The Chuck Giambelluca Memorial Fund

A 1961 Steinert grad, Chuck Giambelluca played football, basketball and baseball for the Spartans and was eventually inducted into the school's first Athletic Hall of Fame class. He captained all three teams he played for but baseball was his main sport, and he went on to play in the Milwaukee Braves organization. When his playing career ended, Chuck returned to Hamilton, NJ and took the reins of Broad Street Park Post 313 American Legion baseball team in 1970 and over the next 35 years went 711-338 with five league championships and a 1975 state title. Upon leaving the dugout, he became the team's general manager serving until 2019. In total, he volunteered almost 50 years of his life each summer to the youth of Hamilton Township and never received any monetary compensation.

Chuck passed away on October 9, 2020 at the age of 77. In 2021, this golf tournament was set up in his name as a way to keep his legacy alive. Over the past two years funds from the tournament: purchased a new scoreboard in the OLS gymnasium in Chuck's name, awarded \$12,000 in scholarships to students athletes from Hamilton West, Steinert and Nottingham, and assisted other local organizations including The Miracle League.
